CAREER OBJECTIVE

JavaScript Web Developer seeking for a position at a corporate organization, where I can apply my strong 3+ years of programming experience in varieties of high-profile projects, producing results over reports.

EXPERIENCE

aNewItem

Remote, New York // Front End Web Developer // 01/2020 – 09/2020

My position and task in this company was to handle the Front End of their mobile application and web application stories.

ToSettleDown

Ajah, Lagos // Front End Web Developer // 01/2019 – 12/2019

Here I was positioned to build from scratch a desktop & mobile friendly interface, for their web application.

Cheaplead

Ajah, Lagos // Front End Web Developer // 08/2018 – 12/2018

I was assigned a task here which was to build an updated version of their current website, adding descriptive images that best explains how their application works.

Alpha-DevOps

Sangotedo, Lagos // Front End Web Developer // 02/2018 – 07/2018

My task here was to help in the increase of users by making their landing page look sharp and appealing to the eyes.

EDUCATION

Aptech Computer Education

Advance Diploma in Software Engineering (ADSE) // 2019

Embttec Konsults

Graphics Design // 2016

First Harvard Academy

High School Diploma // 2015

SKILLS

- In-depth know-how of bringing innovative design concepts to the company
